1 Réception du semi coffre.

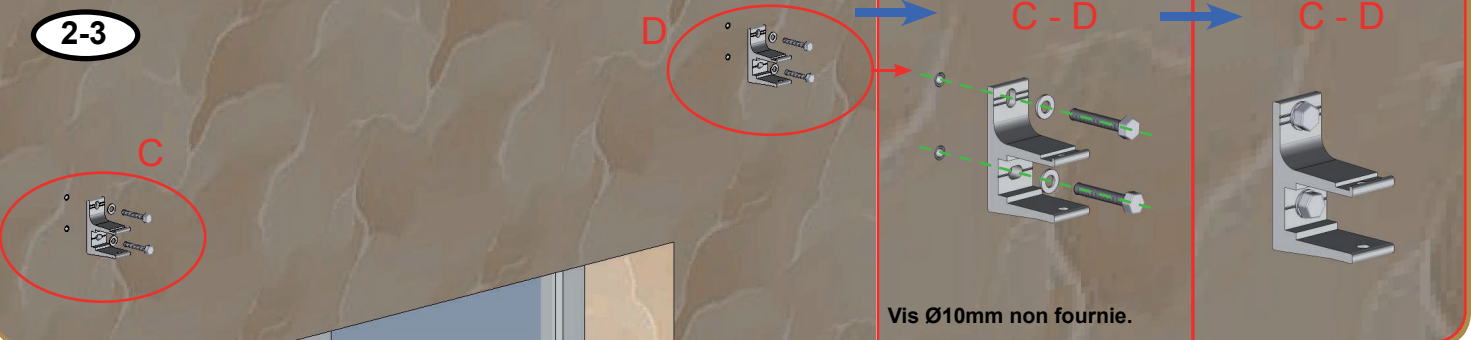

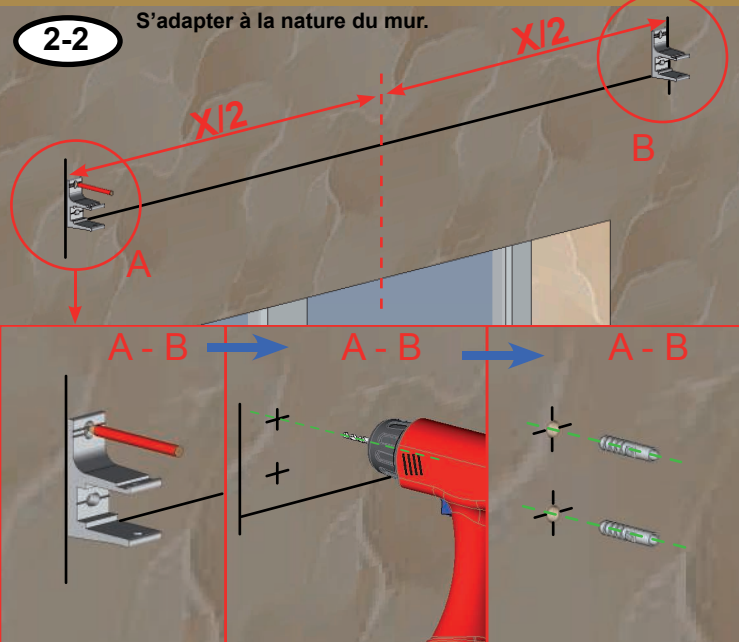

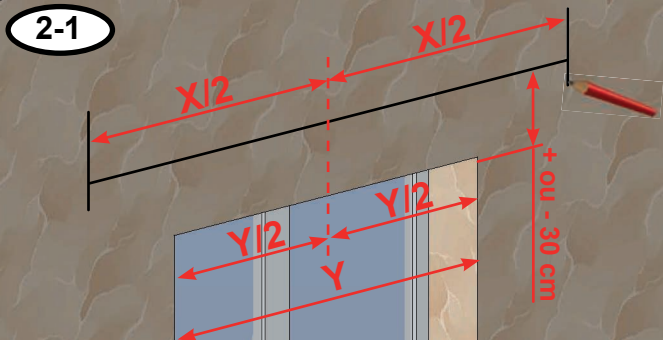

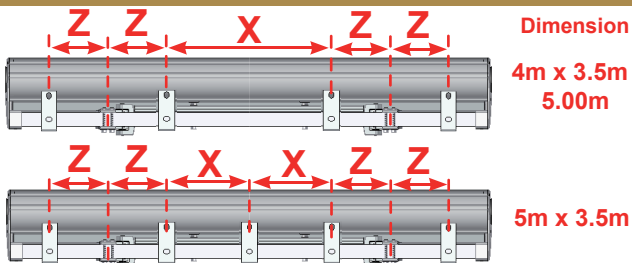

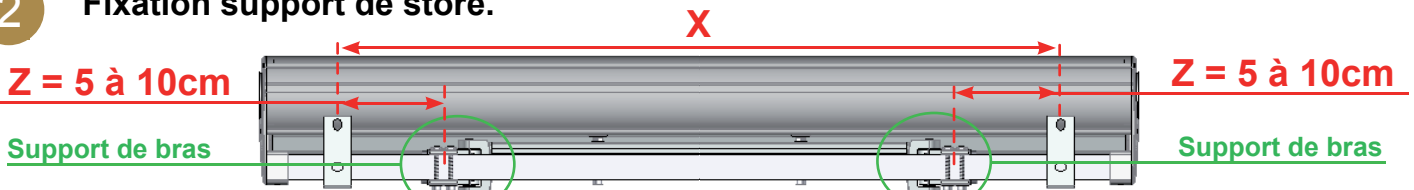

IMPERATIF

Ne jamais ouvrir le store avant fixation complète.
Votre sécurité en dépend.

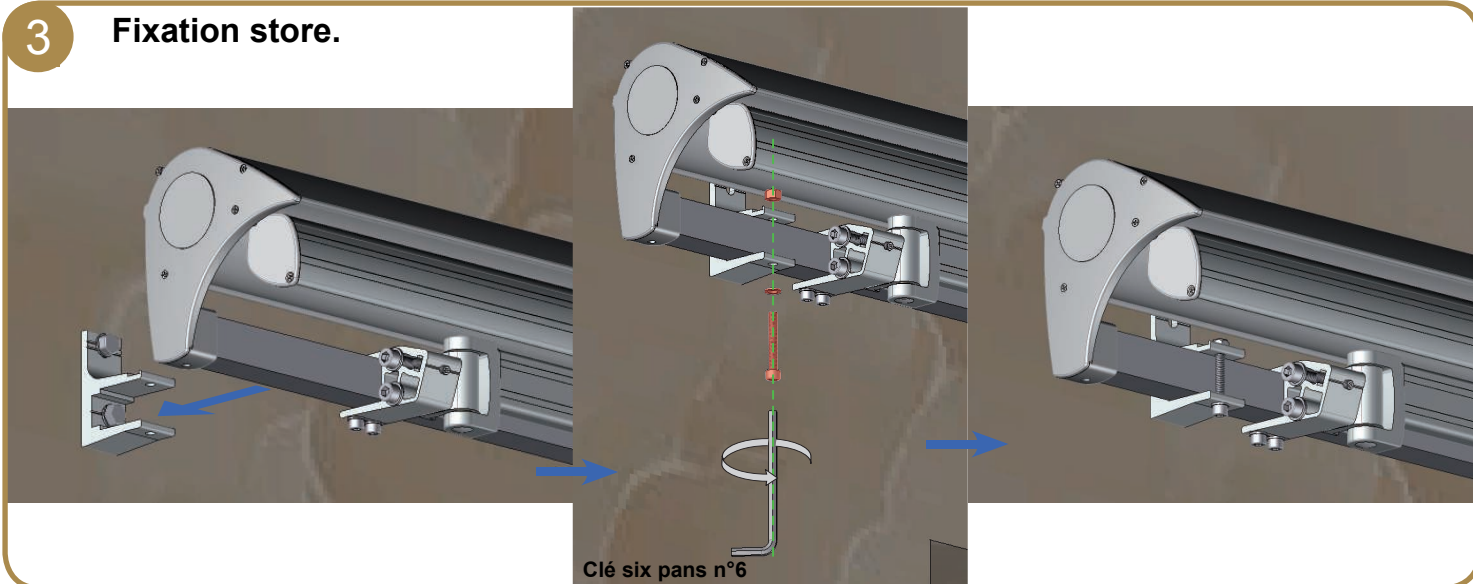

Avant la pose, vérifier la planéité du mur. Dans le cas d'un mur creux ou bombé effectuer un calage des supports afin de les aligner correctement

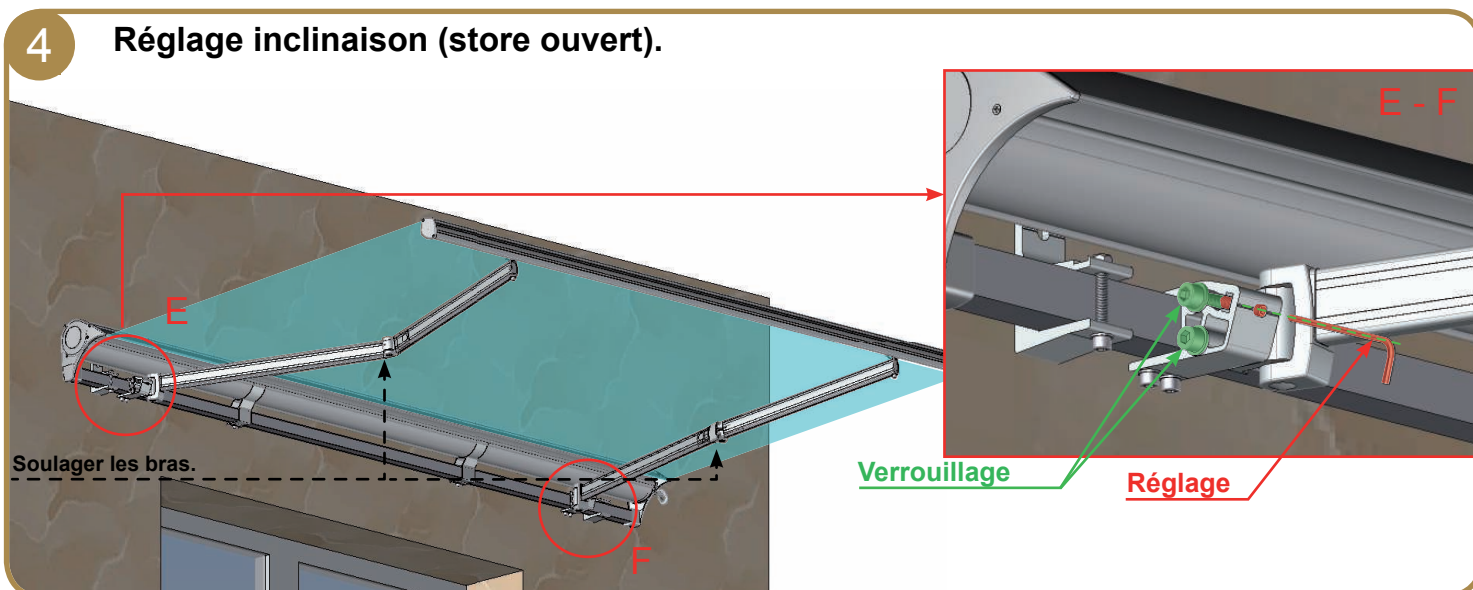

2 Fixation support de store.

3 Fixation store.

4 Réglage inclinaison (store ouvert).

5 Problème de fermeture sur un côté.

Installation terminée.

The logo for alsol.fr features the word "alsol" in a bold, black, lowercase sans-serif font. The dot of the "i" is replaced by a solid orange square. To the right of the orange square, ".fr" is written in a smaller, grey, lowercase sans-serif font. Below the text, there is a subtle reflection effect.
